CEPEP PROVIDES RAPID RESPONSE TO EMBD CHALLENGE

**Friday February 2nd, 2018
St. Madeleine, Trinidad.**

The CEPEP Company Limited warmly congratulates all Staff and Contractors responsible for the Company's 24-hour rapid response to the invitation by the Estate Management & Business Development Company, to provide environmental cleaning services at its sites around Trinidad.

The project, which has seen the deployment of eighteen (18) contractors and approximately seven hundred (700) contracted employees, was initially requested on 26th January, 2018, with CEPEP commencing the very next day and deploying personnel through the weekend.

The borders of roadways at four (4) EMBD locations are being treated by CEPEP contractors and their employees:

Cedar Hill II – off M1 Tasker Road (approximately 1.8km of roadway)
Petite Morne – off M2 Ring Road, Ste. Madeline (approximately 11km of roadway)
Picton I – Off Papourie Road, Monkey Town (approximately 8.2km of roadway)
Roopsingh Road II – off Waterloo Road, Brickfield (approximately 13.5km of roadway)

The expected duration of the project is four-and-a-half weeks.
