CEPEP RESPONSE TO RECENT FLOODING IN SEVERAL AREAS OF OUR COUNTRY

The CEPEP Company Limited wishes to advise the public that our Contractors, Operations Team, Directors and Management responded promptly to the flooding experienced by our fellow citizens. CEPEP had the full support of its Line Minister, The Honorable Kazim Hosein who was on the ground in several of the affected areas as the contractors were continuing to focus on cleanup exercises in all impacted areas. Contractors were also deployed in many areas along the East West corridor and Central Trinidad.

CEPEP continues to assist our citizens with clean up exercises in the following areas:

- North Oropouche
- Sangre Grande
- Wallerfield
- Vega de Oropouche
- Oropune
- Madras Road
- St. Helena (including St. Helena Presbyterian School, St. Helena Hindu School, St. Helena Pre School, St. Helena Shiv Mandir)
- Las Lomas
- Highbury Park
- Boy Cato Road
- Constantine Trace
- Ross Trace
- Diego Martin
- Mahadeo Street
- Santa Monica Road
- Kelly Village
- Carapo
- Greenvale
- John Wood Street
- Mafeking

We would like to give the citizens who has suffered through this tragic event our assurance that we will continue to be there for and with you until a sense of normalcy has been restored.
